

Adaptive Scholarship Application - 2015

A key element of our mission is to make our fully inclusive programming available to as many people living with disabilities as possible. We recognize various factors contribute to our pass holders living on fixed incomes. As a result, PPSC is proud to offer a number of annual scholarships for those living with limited resources.

Primarily, we fund our programs through charitable grants and donations. These grants enable us to offer annual scholarships. The PPSC scholarship program also allows us to document the needs of our past and current recipients and expand our recreational opportunities. At PPSC we are dedicated to being fully inclusive and strive to assist as many participants as our funding can accommodate.
