### When can I enroll?

- January 15: Returning students, Boston resident students, students with disabilities
- February 1: Logan-impacted resident students (Chelsea, Revere, Winthrop)
- February 15: Open enrollment to all MA resident students

### How much does it cost?

- Sliding scale (maximum \$450 / week) based on family income
- Students with physical disabilities get free or discounted tuition thanks to Peabody Foundation
- Summer extended day (8:30 am – 5:30 pm) available for \$50 per week

At \$450 / week full price, Piers Park is one of the lowest cost full day summer programs in Massachusetts – and one of the highest quality programs!

### Why did the price go up from last year?

The actual cost for us to run the program is approximately \$700 per week per student. We subsidize the program as much as possible with support from external funders. With reduced funding in 2026, we kept the price as low as possible while maintaining full staffing levels and ensuring a safe, high quality program. If the price you see at the checkout page will prevent you from being able to enroll in the program, please email [info@piersparksailing.org](mailto:info@piersparksailing.org) for information about other program subsidies.

### How many weeks can I do?

Maximum six weeks (financial aid is only available for the first two weeks enrolled). CampSite system will allow you to sign up for two weeks. If you'd like additional weeks, email Alex [adefronzo@piersparksailing.org](mailto:adefronzo@piersparksailing.org).
